PART 4 - Additional Information

REQUEST FOR ACCESS TO DOCUMENTS

- As the applicant, you are required to provide sufficient information to enable the correct document/s to be identified. The FOI Coordinator at Durack will help you if you require assistance with your application.
- A valid application will be dealt with as soon as practicable, or within 45 days after it is received.
- If your application consists of personal information, Durack may request proof of your identity.
- If you are requesting access to document/s, relating to another person and their personal affairs, you may be asked to submit written consent signed by that person.

MEANING OF 'PERSONAL INFORMATION' AS OUTLINED IN THE FOI ACT

'Personal information' means information or an opinion, whether true or not, and whether recorded in a material form or not, about an individual, whether living or dead -

- whose identity is apparent or can reasonably be ascertained from the information or opinion; or
- who can be identified by reference to an identification number or other identifying particular such as a fingerprint, retina print or body sample.

PERSONAL OR NON-PERSONAL APPLICATION

- A personal application would consist of a request to access documents which contains personal information about the applicant, with very little or no 'third party' information (personal information relating to other people).
- Non-personal information is the opposite of the above. It would consist of an application for access to documents with very little, or no personal information about the applicant and a considerable amount of information relating to third parties.
